Dear Member,

Summer is in full swing and Apollo has lots for people to do. While slow pitch was unable to be restarted this summer due to the difficulty in finding a suitable diamond, both squash and yoga continued on into the summer to become year round activities. Tennis is going well up at the UofC and lawn bowling is rolling along in Inglewood. Outdoor Pursuits has several activities coming up, some in conjunction with Calgary Gay Friends. Check out the updated calendar on apollocalgary.com to see all of the Apollo events.

We had a successful AGM in June with over 30 people in attendance. I'd like to thank Tom Sloan and Randy Brookes for all their hard work over the last year. They completed their terms as Secretary and Communications Director respectively. I'd also like to welcome Craig Lewington who is taking over as Secretary and welcome back Troy Gibson who has taken on another term as Vice-President. We are currently seeking someone with a communications and marketing background to help us out as Communications Director. Please contact me if you have any questions about volunteering for this role.

We're currently working on developing an action plan for Apollo for the upcoming couple years and also creating a work plan. So often with boards that have new people coming on every few years there is confusion as to what needs to be done. We're going to make it easier for people to serve on our board by handing them a yearly, dated blueprint of what their role will be. This will help Apollo be a more proactive organization.

I hope you enjoy our summer newsletter and have a wonderful, and hopefully hot, summer.

Michael Leboldus
President, Apollo Friends in Sport

Communication Director Needed

If you have a communications and marketing background, Apollo could really use your expertise on our Board of Directors. Please contact Michael at president@apollocalgary.com for more info.

Regina Volleyball Tournament

Each Thanksgiving Day weekend, Regina host the Golden Crown Volleyball Tournament, a smaller, fun tournament that often sees teams from Calgary, Edmonton, Saskatoon and Winnipeg.

Since Apollo's new volleyball season often doesn't start until a few weeks before Thanksgiving, players are often caught off-guard that there is an upcoming tournament. This note is just to let all the Calgary players know well ahead of time about the tournament and if you think you'd like to join a team in going, please contact Kitt at vb@apollocalgary.com.

Team Calgary's Road to Vancouver

Vancouver Outgames 2011 will be happening next July and Calgary will be sending a big team of competitors to compete in the 18 sports on offer.

We're looking for some people to help organize our team. In the past this has just meant organizing uniforms but it can include whatever you decide. Michael, Apollo's president, has organized the uniforms for both Montreal and Copenhagen so will give you some guidance but he's a bit busy to take it on again. If you'd like to help please contact him at president@apollocalgary.com.

Badminton

Apollo Badminton is on hiatus during the summer but we will be returning in September. We are considering starting a women's only badminton night to encourage more female participation, if anyone is interested you can email badminton@apollocalgary.com so we can gauge interest. In the mean time enjoy the other summer sports that Apollo has to offer and we will see you in the fall.

Rainbow Riders Bowling League

Apollo's longest running league kicks off our 24th season with a fun night on Wednesday, September 1st.

Join us at Let's Bowl (2916 5th Avenue NE) at 7PM ... cost is only \$10/bowler (bowling shoes are extra). C'mon out and try 10-pin bowling ... everyone is welcome!

September 1st doubles as our registration night so it's your chance to sign up with a team or even better, enter a team in our league. All bowlers are welcome including newcomers and veteran bowlers alike. Two reasons to join the league - bowling is the optimum social sport and our league annually gives away over \$15,000 in prize money!
